Dear Readers,

As you will see on other pages of this Barton Miller, we are delighted to be welcoming Rev Mark McCaghrey as the new Team Vicar for the Lark and Lee Group of four parishes, which are Barton Mills, Freckenham, West Row and Worlington. Mark and his wife, Fiona, will be living in Barton Mills Vicarage and he will be installed at a special service in Barton Mills church on Wednesday evening, 19th June.

May will be a busy month for our village with two Car Boot Sales on the field by the Village Hall on the mornings of the Bank Holiday Mondays, 6th and 27th May. These Boot Sales, with refreshments in the Village Hall, are always very sociable occasions (providing the rain holds off!) and pitch fees and refreshment profits go to various local groups. So do come along and support these events.

Please forward copy for the June edition of this magazine to the editors by 20th May.

Yours sincerely, Frances Lewis and Nancy Higgins.

## Vicar's Letter

I think when I last wrote for the Barton Miller in April last year, I explained that I was writing as St Mary's Church was then in a period of vacancy. This was as a result of the retirement of Revd David Everett who had very kindly 'stood in the gap' for the previous two years, coming out of his own retirement to cover it.

Well, 12 months on and I have some very good news for the Lark and Lee group of parishes, of which St Mary's Barton Mills is a significant part. (The others being; St Peter's, West Row; All Saints, Worlington and St Andrew's at Freckenham).

An appointment has been made for the Lark and Lee Group and Revd. Mark McCaghrey has been offered and accepted the position of Team Vicar here. Mark will live in the Vicarage at Barton Mills and his licensing and induction will take place in St Mary's, Barton Mills at 7.30pm on Wednesday 19th June 2024. All will be welcome to attend. We look forward to welcoming Mark as he moves to Suffolk from his current post in Norfolk. It will be really good for all the Lark & Lee churches to have a settled period with a new minister.

It seems that the future for this group of churches is very bright. We have a newly installed Team Rector in Revd Canon Chris Childs at Gazeley and the excitement of a new Clergy face in the Vicarage in Barton Mills. My prayer will be for Mark and his wife Fiona and the rest of his family as they make the move to Suffolk and for these villages as we all look forward to that bright future.

In the meantime, if you have any church related queries prior to Mark's arrival, please feel free to contact me.

## BARTON MILLS BAPTIST CHURCH

Believe it or not on the 19th May we shall reach another milestone in the Christian calendar now commonly called Whitsun. As we enjoy this holiday we are reminded that after Jesus Christ rose from the dead He gave us the promise that a Visitor would come. Though He is invisible to our eyes, **the Holy Spirit will visit with us every day**, just as Jesus walked with His disciples on earth. John 16 v 7 says “.....it is expedient for you that I go away; for if I go not away, the Comforter, the Holy Spirit will not come unto you, but if I depart I will send Him unto you, and in Acts 1 v11, on the day of His ascension into Heaven, His disciples were again promised of His return.

**He keeps us honest, focused, and encouraged so that we too can glorify Christ.** By this we know we can rely on Him every day. He has promised never to leave us nor forsake us (Hebrews Ch 13 v 5) and with the **help of the Holy Spirit** is there to protect, comfort and counsel. **As Christians, we know the marvellous yet mysterious experience of having the Holy Spirit as our companion and guide to rely on – even though we can't see Him.**

**GOD'S SPIRIT LIVES INSIDE US AND ALSO  
WALKS BESIDE US**

Why not join us in our Worship Service each Sunday at 3p.m.  
You will be most welcome.

## **BARTON MILLS FOOTBALL CLUB REPORT**

As I'm sure you are aware, Barton Mills FC have had quite the season! We are currently holding on to 2nd place in the Bury Sunday League and if results go the right way on Sunday 21st April we could gain automatic promotion; our opponents for this final league game are Inter Moreton Hall Youth Team.

Not only that, but we have managed to have a good cup run as well. We have managed to reach the final of the County Cup, where we will face Gardeners Arms at Needham Market's 4g pitches on the 28th April. Tickets are available on the Suffolk Association Facebook page but also available to purchase at the gate on the day (card payment only).

We are also holding a Summer Fun Day on Saturday 13th July, on Barton Mills Playing Field, to raise funds for the club and 3 charities which the club have been in contact with, and who hold a precious place in our hearts. These charities will be announced closer to the time!

Hopefully the season ends on a high.

## **ONE-DAY WATERCOLOUR WORKSHOP - WORLINGTON**

Professionally-trained artist and textile designer Nicky Hunter will be holding a 10-4 watercolour workshop in Worlington Village Hall, The Street, Worlington on Fri, 14 June. There's adequate parking and a light lunch and refreshments will be provided but please bring your own watercolours, paper, brushes, etc.

Vicky will be tutoring us to paint a summer landscape. She is a very engaging and helpful teacher and this promises to be an extremely entertaining day of learning more about the beautiful medium of watercolour.

£60 will cover the tuition, lunch and refreshments.

Please ring Julie Merrick 01638 716177 or Viv Brown 07734 315138 for more information and to make a booking.

## **BARTON MILLS CLUB NEWS**

**KNIT and NATTER:** This group meets every Wednesday afternoon, 2 to 4pm, in the church room. Knitting is optional! Any craft, or none, will do to accompany the nattering and tea and biscuits. New members very welcome – please just come along.

**BOOK CLUB:** This club meets in the church room at 7pm on the second Thursday evening of each month. At our April meeting we discussed 'Lady in Waiting' by Anne Glenconner. Opinions about this book were mixed – some thought that it gave an interesting insight into the lives of some members of the previous generation of the Royal Family whilst others felt that it was just a catalogue of name dropping! For the meeting on 9th May we are reading, with some difficulty because it is a very long book, Charles Dickens' 'Dombey and Son'. Then on 13th June it will be 'Guards, Guards' by Terry Pratchett. New members will be very welcome.

Dear Everyone,

Well, things are finally moving ahead with our project to light the path to the North Door! Hopefully by the time you read this piece we will have completed work to install a sensor light above the door. The next stage is to raise funds to help us purchase and install a properly good quality, traditional Victorian Style Lamp-post to be a focal point at the corner by the path across to the Church Room.

With this in mind it's time to get ready for our big Summer Concert! This will be held on ***Saturday June 8<sup>th</sup> at 7pm***, when we really hope the weather will be warm and sunny. Please encourage your friends and relations to come along to enjoy this wonderful evening of classical entertainment.

We start with a ***Pimm's Bar on the Church Lawn at 6.30pm*** and then, moving into the building, we look forward to a beautiful concert performed by ***THE KELD ENSEMBLE***, who have not been back to us for 5 years now! We hope you've missed them and really want to hear them again. They will be bringing you soloist Sarah Williamson, the superb clarinettist, as well as their own talented musicians.

We hope you will thoroughly enjoy their marvellous selection of classical music including pieces from Holst, John Williams, Sibelius, and Mozart's Clarinet Concerto in A Major.

**Tickets, £20.00 for adults, £10 for children, are available from Liz Jarvis on 01638 583728 or [emjarvis68@gmail.com](mailto:emjarvis68@gmail.com) or Alan Butcher, 07788 535104, or [alandavidbutcher@gmail.com](mailto:alandavidbutcher@gmail.com)**

## NATURE NOTES

As I write this piece we are experiencing gale force winds, hail stones and freezing temperatures. This is in complete contrast to the previous day which was a balmy twenty degrees! These unpredictable weather patterns are, apparently, a consequence of climate change so that we may not enjoy clearly defined seasonal weather patterns as we did in the past.

This reminds me of an article I read recently about Common swifts. They should have arrived as you read this but do not always have ideal weather to start breeding. Research has shown this may not be too much of a problem as swifts can go into a kind of torpor when conditions prevent them from gathering enough insect food. They can lower their metabolic rate by an average of 56% to conserve energy. Further research has now also shown that swifts lower their metabolism during the night when sitting on the nest regardless of weather conditions. They are super survivors!

May is an incredibly busy time of year for all forms of wildlife; there is so much to see and hear everywhere you look and listen. Roe deer give birth to their young in May and June. They generally have two kids unlike other deer species which usually have one. A pair of Roe deer has been seen in Norah Hanbury-Kelk Meadows recently so let's hope we have a chance of seeing a Bambi or two.

Hedgehogs should be mating in May so during your nocturnal forays to the recycle bin listen out for lots of grunting and snuffling in your back garden. I believe they mate 'very carefully' if somewhat noisily! We are lucky enough to have Hedgehogs in our garden so we look forward to the possibility of seeing some babies. They leave their little calling cards on the lawn and we see them drinking from their own little water bowl. Bread and milk are most unsuitable for hedgehogs but they do enjoy cat food especially the crunchy, dried kind.

Speaking of things nocturnal, May is an excellent time to see moths on the wing. On warm, still nights you may get to see some of the beautiful hawk moths – Lime, Emperor and Elephant. The Elephant Hawk moth is bright pink and green but is named after its caterpillar's resemblance to an elephant's trunk.

Many native plants put on a good show in May. Bluebells should be in flower now as will be Red Campion, Red Clover and the pretty little golden yellow

Bird's foot trefoil. No-Mow May could be an excuse to leave your grass uncut and see some wild flowers pop up in your own patch.

Finally, if you like getting up early, May is the best month to experience the Dawn Chorus. As dawn breaks thousands of birds burst into song. They sing to defend their territories and attract a mate but sometimes I think they sing just because they enjoy it! Blackbirds and Robins are usually the first to spark up closely followed by the other species so that by full light there is such a lot of song happening that it becomes difficult to identify all the individual species. By mid-morning things quieten down a little but, in the spring, the countryside is never completely devoid of birdsong. May 5<sup>th</sup> is International Dawn Chorus Day so why not give it a try? I promise you will not be disappointed. You can always go back to bed afterwards!

Ken Venus.

## **Barton Mills Ladies Club**

Our Speaker this month was Amanda Sutherland, who returned to tell us more about her life and ladies' fashions through the last few hundred years and her connection with it in her work as a costume designer for stage and screen. She began with telling us about the fashion of panniers, boards which stood out from the waist which were difficult to move in and had to be lifted to enter through a doorway. This led on to padding tied around the waist to accentuate the 'posterior', these gradually in shape and size and then the waist was highlighted. Amanda asked use to think back to watching *Pride and Prejudice* and the fashion of Jane Austen's era when there was no shaping in women's wear. The bust line then was high, which altered in later years and became lower and lower forming a waist line, which later was even lower with 'flapper' dresses.

She talked of crinolines, bustles and the need for corsets to keep up with fashion. The peplum shoulder pad later reemerged in the 1980's in TV dramas like *Dynasty*. She said that basically fashion designers look back to fashion ideas of the past for inspiration. So the motto is don't throw anything away it will fashionable again eventually!

She no longer designs clothes for films and TV, having worked on *Titanic*, *Downton Abbey* and *Bond* films to name a few, but when watching such productions she is super critical to see if the correct style, fabric etc. has been used.

She has now diversified and makes and designs hats, jewellery, hand warmers from recycled materials. We spent a considerable time choosing and buying from the beautiful selection she had brought with her.

Our Speaker next month is Rev. David Atkins whose talk is entitled 'It shouldn't happen to a Vicar' Come and join us in the village hall in Barton Mills at 2 p.m. on Tuesday, 14th May

## Good Neighbour Scheme – May we offer a helping hand?

The Barton Mills Good Neighbour Scheme comprises around 20 volunteers from within the village who have come forward to offer their time and skills to help their community neighbours when they have needed assistance. We have quite often heard it said by villagers that “we didn’t like to bother the Good Neighbour Scheme” when in fact a little help from our volunteers could make all the difference in helping to resolve a problem or fulfilling a task/repair that is needed. The volunteers are keen to support people to be independent and a light touch of assistance from the Scheme can be a way of helping those villagers to maintain their independence.

The Scheme is based within the Parish of Barton Mills, which includes the residential properties in Worlington Road and Tuddenham Road. If you need help that is within our ability to provide, please do not hesitate to contact us to find out how we might assist. It may be a one-off task or ongoing through regular calling in for chats and befriending.

You can see from our advertisement in the Barton Miller the range of services that we offer **free-of-charge** from our willing volunteers but don’t be afraid to ask if there is something that you need help with that is not listed. We may still be able to help or point you to other services or organisations that could assist. (We cannot offer professional services for which qualified personnel such as electricians, plumbers and central heating engineers must be engaged).

Please remember that you can contact us on **07419 211040** or e-mail us at **[barton.neighbours@gmail.com](mailto:barton.neighbours@gmail.com)** to find out if we can help you with your needs.

We are always pleased to hear from potential new volunteers and if this is something that you would like to consider doing, then please contact us on our telephone number or at our e-mail address – see above.
