We have our village Act of Remembrance this month - for details on this socially distanced event please see page 7 and the back page.

The Barton Miller team would like to extend our thanks to Margaret Taylor and Pam Peachey for their past help with distribution of the magazine around the village and we welcome newly recruited distribution helpers.

By the time you get this issue, autumn will be well and truly with us and the clocks will have recently changed, making it darker for longer as winter approaches. Do take care when out and about.

Vicar's Letter

Feeling discouraged? Here's a little story.

Once upon a time there was a pond full of tiny frogs with nothing to do. They decided to pass the time by arranging a climbing competition.

The goal was to be the first to reach the top of a very high reed. And so, a big crowd gathered around the reed to see the race and cheer on all the contestants. The race began....

But quite honestly no one in the crowd really believed that such tiny frogs would reach the top of such a tall reed. They were saying, "It's far too difficult!", "they will never make it to the top," and "Not a chance that they will succeed. The reed is too high!"

The tiny frogs began falling from the reed, one by one. Only those who were a bit stronger kept climbing higher and higher.

The crowd continued to yell, "It is too difficult!!! No one will make it!" More tiny frogs got tired and gave up....

At last just one tiny frog continued higher and higher and higher, long after all of the others had given up and dropped back down to the bottom and he, after a big effort, actually made it to the top!

All of the other tiny frogs naturally wanted to know how this one frog managed to do it.

Eventually the victorious little frog climbed all the way down and they gathered around to ask him how he managed to find the strength and endurance to keep going as everyone else dropped off. "How did you do it," they asked. The little frog smiled, took his earphones out and said "Sorry, what did you say?"

As we face challenges in life, we may meet people who will tell us it's impossible, too hard, we're not up to it and it's a really bad idea anyway. How much more might we achieve if like the little frog, we just don't hear the discouragers, but listen to the music instead?

Love, Sandie x

BARTON MILLS.

On Thursday, the 23rd inst., the church in this parish was very prettily decorated for the Harvest Thanksgiving service, which took place at 7 p.m. In spite of the very unfavourable weather, the church was completely filled with the inhabitants of the village, young and old, rich and poor, all heartily uniting in the full choral service. Last year the excellence of the singing deserved warm commendation, but this season the improvement of the choir was very perceptible. For this, and for the lovely floral wreaths, which made the quiet village church a fitting representative of God's "holy and beautiful house," the people are indebted entirely to those kind ladies who have for years past been forward in promoting every good work for the service of the Church and the good of their neighbours. The service was intoned by the Rev. Walter Jones, Curate of Mildenhall. The First Lesson was read by the Rev. W. Buckland Lott, Rector of the parish and Rural Dean, the Second by the Rev. Canon Abraham, Rector of Risby and Rural Dean. The sermon was preached by the Ven. F. Chapman, Archdeacon of Sudbury, on Psalm xxxvii. 3, "*Trust in the Lord, and do good, dwell in the land, and verily thou shalt be fed.*" The offertory, amounting to 4l. 10s. 11d., was devoted to the funds of the Mildenhall Cottage Hospital. The members of the choir were provided, the girls with tea, and the men and boys with supper, by the Rector, and thus pleasantly concluded their day of thanksgiving.

St Marys Church Barton Mills would like to thank all those who recently contributed to the Harvest collection.

This money will be donated to the
Kings Project Food Bank in Mildenhall.

REMEMBRANCE SUNDAY 8TH NOVEMBER 2020 – LEST WE FORGET

This year marks 25 years since we began our annual Village Act of Remembrance at our Peace Garden on the Village Green. In 1995 we were of course commemorating 50 years since the ending of the Second World War. This year, 2020, is now 75 years since the war end. Sadly, as a consequence of the Coronavirus pandemic and the restrictions on holding public events, we are not able to hold the Act of Remembrance in the usual way. It has therefore been decided that the Act of Remembrance will proceed but with a strictly limited number of people in attendance, as determined and managed by the Barton Mills Parish Council. (Please see the item on the back cover of this edition of the Barton Miller that gives the necessary details).

We will be remembering the men from Barton Mills who made the ultimate sacrifice in two world wars. Their names are:-

Stanley Oxlade; Edward Smith; Fred Balls; Edmund Munns; Walter Nicholas; John Good; William Good; Stanley Grimwood; Ernest Hockley; James Nicholas; Thomas Owers; Ernest Race; Alered Smith; Noel Banks; Felix Thresher; Robert Munro; G Close; C Cutlack; C Oxlade; A Privett; C Wright; S Rutterford; E Elmer.

You may not be attending in person; nevertheless, please join us in your homes for the two minute silence at 11 o'clock (perhaps as suggested in the Press by us standing on our doorsteps) and also by reading the following prayer of remembrance.

*God of truth and justice,
we hold before you those people, particularly those from our Village,
who have been injured or who have died in active service.
As we honour their courage and cherish their memory,
may we put our faith in your future;
for you are the source of life, peace and hope,
now and forever.*

Amen

(Taken from www.churchofengland.org)

Unfortunately, there will not be the usual reception in the Village Hall.

There will, however, be a wreath laying at the War Grave of Private Thomas Owers in St Mary's Churchyard at 11 o'clock on Wednesday 11th November: the eleventh hour of the eleventh day of the eleventh month.

With all Good Wishes

Glynn East, Lay Elder, St Mary's Parish Church, Barton Mills.

BARTON MILLS BAPTIST CHURCH

We are told to press on as normal but **it's not normal, or is it?** We are going through an **unprecedented** period of our lives, a pandemic never experienced by any of us before. However, we must cast aside our thoughts for a while of being **unjustly treated by a virus** that has been a tragedy for many and try to **"Remember, Remember"** the 5th, 11th and the **26th November**". I am sure we all have different memories of these dates; the children for the 5th when we celebrate with fireworks, the 11th for all those men and women who sacrificed their lives for our freedom in world wars and subsequent conflicts, and finally the 26th with our American friends, to **give thanks for everything the Lord has provided us.**

When things are going well we can easily become preoccupied with what we own, **we become tied to so many nonessential, unimportant things.** We tend to grow overly concerned about cars, houses, furniture, appliances, clothes and countless trappings of modern life, but when life is reduced to the essentials, as it is with the Corona virus, we recall again that **life itself** is enough reason to **remember to thank God and praise Him for all His goodness to us.** The apostle Paul wrote about **thanksgiving** more often than any other New Testament author, **23 times.** As we pause to **thank God for every way He has blessed us,** **it's good to remember that our greatest treasure is His unfailing love.** Too often **our thankfulness** ebbs and flows with our health or financial security. We **equate God's blessing** with freedom from pain and sorrow, but **through faith and experience** we learn that **God's great love for us expressed in Jesus Christ can calm our hearts and minds even in the most taxing situations.**

Four times in Psalm 107 we read, "Oh that men would give thanks to the Lord for His goodness, and for His wonderful works to the children of men." Even when life seems overwhelming, we can cry out to the Lord and find His deliverance from our distress. It is not health or wealth, but **God's unfailing love that sets us free in every circumstance of life.** During this difficult time with the pandemic it's easy to forget but **let's not lose sight of God's goodness, the source of all our blessings.**

At the moment Services are somewhat different at the Chapel but notices will be displayed outside on the gate providing revised times.

MILDENHALL & DISTRICT MUSEUM AND MUSEUM SOCIETY

News from your local museum.....

MILDENHALL MUSEUM continues to open 2-4 on Tues., Wednes., Thurs. and 10.30-4.00 on Fri. Visitor numbers are well down on the usual figures but those who have been are very appreciative that our volunteers are willing to be there. Visitors must wear a mask and we provide nitrile gloves to be worn throughout the visit. There is a one-way system. Just a few areas are off-limits (cellar with carpentry and dairying) and the play shop for very young visitors. There is no admission charge (and we want to keep it that way) but donations are invited and much appreciated as running costs are considerable.

I am disappointed at the number of local people who still haven't discovered the wealth of information and artefacts on show. Are you one of them? Weather permitting you might combine a visit with a walk along the river and back along The Street, or vice versa.

After our thoroughly enjoyable get together in September on the Recreation ground at Barton Mills, we were all looking forward to meeting again in October. The 'Rule of 6' put an end to that. So, as soon as we are able, we will meet up again.

As we have been having no meetings we have not been receiving our monthly magazine, WI News, which gives us news, features and forthcoming events around our WI area - South West Suffolk. Park Farm, our area HQ has been compiling a fortnightly newsletter. WI groups have been contributing and telling how they have been faring these months. They too have been meeting outdoors and had plans for further meetings which they have had to abandon. Our meeting was included in one of the issues. It gives us news of events which they hope will go ahead next year. There are quizzes, recipes, poems lots for us to read. All members or our WI receive it either by email, post or hand delivery.

BARTON MILLS.

THE annual Harvest Thanksgiving Service was held at this church on Thursday, the 27th ult. We have often had occasion to speak in praise of the floral decorations and service of song in this little village church, and can only say that in both those who have so often lent their aid to these labours of love fairly surpassed themselves. We were also pleased with various permanent decorations recently effected, among which we must mention the new altar-cloth, and very elegant new railing, all in excellent accord and taste, recently presented by the Rector, the Rev. William Buckland Lott. The space within the railing has also been laid with very beautiful encaustic tiles by the same donor. The church was completely filled with a very attentive congregation, and the sermon, which was both excellent and practical, was preached by the Rev. L. L. Lowe, D.D., Canon of Ely.

What's on in Freckenham November 2020

It's great that some weekly events are back at Freckenham Village Hall. So now the clocks have gone back how about looking at doing something during the autumn/winter to keep active as you won't be doing so much gardening! Zumba, FitSteps, Yoga, Karate and from Thursday 5th November the new #ChairFit class with Karen Peachy-Gallagher 07554 119 550 it is designed for the less mobile, ideal if you are recovering from an illness or operation wanting to get more active and open to men and women of all ages. All exercises are designed on or around a chair with accessories to add a little interest! But there are different things in place to make sure we all can keep as safe as possible. So do contact the instructor first to check what is needed, some due to space are having to operate a booking system. Some like Pilates are still continuing with Zoom and Suzy Howard's 07548 898 775 yoga class is now on a Tuesday morning as well as 2 zoom sessions. Guidelines do change so do take a look at the village hall pages of the Freckenham website or V Hall 07542 198 933 to ask!

<https://freckenham.suffolk.cloud/freckenham-village-hall/village-hall-weekly-events/>. On Facebook and Twitter @FreckenhamVH

The Farmers Market with some Crafts is starting to move indoors next one 28th November 10 – 12 noon. Still following the current guidelines for Covid-19 awareness including social distancing & making it a one-way system, you will have to wear a mask to visit the inside stalls. Sorry no refreshments. Stalls likely to include fruit & veg, meat, pies, cheese, olives, bread, honey, eggs, WI, chocolate, Suffolk Scone Lady, preserves & pickles, and some craft stalls. Bound to be some Christmas puddings and children's jumpers, plus some gift ideas, candles, jewellery and more. A Sunnica Awareness Stall run by Freckenham Parish Council.

Friday Film Nights – are still currently postponed.

The Golden Boar Inn with all their Covid-19 aware procedures in place, do great meals, check Facebook page or give them a ring 01638 723000!

Freckenham Update - We have been stewing over how to continue the Farmers Market over the winter months as we can only fit 7 tables with social distancing in the village hall – which is not viable or fair to try and decide who has a slot!! So have been in touch with The Golden Boar about if we could use their conservatory space.

Delighted to say markets as of 28th November will be a split two venue affair! Freckenham Village Hall and the Golden Boar! So it also means we can plan for an evening Christmas Market on Wednesday 16th December 6 – 8.30pm too!

The golden Boar has offered us the back space of the main pub, the conservatory AND the marquee they are attaching to the conservatory (with portable heating) so hopefully once we have worked out space we can just about fit everyone in or give them an either or date if not.

REMEMBRANCE DAY

Sunday 8th November 2020 11am

Remembrance Sunday is an important event for many people and despite the pandemic crisis affecting us all, the Parish Council are keen for this event to go ahead but with restriction to keep everyone as safe as possible.

The event will be reduced in time to approximately 10 minutes.

The event will be limited in numbers. A maximum of 12 people will be allowed to attend officially. These places will need to be booked in advance on a first come, first serve basis.

Spaces need to be booked 3 days before the event

Please contact: clerk@bartonmills.net

A track and trace form will be on a table near the village hall doors for those attending to sign with contact details.

Hand sanitizers will also be available.

Everyone is asked to wear a mask if possible.

Everyone will be asked to social distance 2m apart from each other or from family bubbles (rule of 6 applies).

We would ask people attending the service to not drive to allow adequate space for the service.

Parishioners who have not registered to attend are asked not to attend the ceremony but are welcome to visit the Peace Garden at any other time to pay their respects.
