Dear Readers,

As we move into October it really begins to feel like Autumn. Have you seen any of the gorgeous Harvest Moons – so big and bright in the middle of the night that it feels like daytime!

And it is a time for harvest too. Those with productive gardens or allotments are collecting their crops and maybe preserving some for later. In my small garden the muntjac deer have harvested anything that is green, leafy and tasty!

But we are also thinking of people who are in need at this time. In the Church there will be a collection of non-perishable food for the Mildenhall Food Bank, and our Good Neighbours Scheme members offer friendship to any who are feeling lonely or in need of help.

In this issue of the Barton Miller there is lots of information about events and happenings in the village. Do join in!

Yours sincerely, Frances Lewis and Nancy Higgins

Vicar's Letter

Which season is your favourite? Is it the new life of Spring, the warmth and vibrancy of Summer, the fruitfulness and colour of Autumn or the brisk cold and dark nights of

Winter?

I love Autumn. I love the leaves turning with colours of flaming golds and oranges – that first coolness of the morning. I love the feel of leaves as you walk through them.

I am not a poet, so the words of the popular hymn “How Great Thou Art” express my feelings about walking through autumn landscapes “When through the woods, and forest glades I wander, And hear the birds sing sweetly in the trees. When I look down, from lofty mountain grandeur. And see the brook and feel the gentle breeze. Then sings my soul, My Saviour God, to Thee, How great Thou art, How great Thou art.”

Barton Mills may not be well known for its mountain grandeur, but I feel just the same when I walk past the Lark or contemplate the fens – it brings me to thank God for his wonderful creation.

Our universe is so amazing – from the farthest reaches of the universe with its ancient galaxies, the pull of the massive black hole at the centre of our own galaxy, the rhythm of the seasons, the sight of fish swimming in the clear waters of the river, the intricacies of life under a microscope to the miracle of a newborn baby. There is not one bit which isn't amazing and wonderful – and it's equally amazing and wonderful we have the capacity to marvel at it and through science have some understanding of it.

All this is an invitation to wonder, and from wonder to worship. “The heavens declare the glory of God, the skies proclaim the work of his hands” as it says in Psalm 19.

So this Autumn I invite you to wonder: just for a moment to stop and look at our amazing world, to focus on one aspect of the world and allow yourself to be overtaken by wonder, and by the amazing privilege we have that we, alone of all the creatures on this planet, can wonder and understand something of the universe's complexities.

And I invite you to join in a Harvest service this Autumn for a moment of wonder and worship. There is one at St. Mary's on 13th October at 9.30am. You will be very welcome.

GIFTS for the MILDENHALL FOOD BANK Although we no longer bring sheaves of corn to church, and, for many of us, most of our food comes from supermarkets, we still want to give thanks for what we have, and, for most of us, that we do have sufficient to make life comfortable. But there are those who are finding it difficult to manage, so please bring gifts of non-perishable food, e.g. tinned food or food in packets, and basic toiletry items, for the Mildenhall Food Bank, to Barton Mills church for the service at 9.30am on Sunday 13th October. Or, if you cannot come on Sunday, please put them in the church on the Friday or Saturday. Thank you. The service on Sunday will be a Family Service, so all ages will be very welcome. Money donations on that Sunday will also go to the Food Bank.

Act of Remembrance

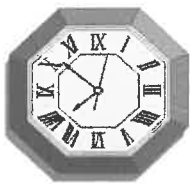

We are pleased to announce that we are holding our Village Act of Remembrance on Sunday 10th November 2024 at the Peace Garden, starting at 10.45 am. The first Village Act of Remembrance was held in November 1995, to commemorate 50 years since the ending of the Second World War. This year, 2024, marks the 30th anniversary of our Village heartfelt tribute to those who gave their lives to ensure our freedom.

Wreaths are laid on behalf of the Parish Council, on behalf of U.K. and USAF Veterans and White Flowers on behalf of children and young people of the village . In addition a wreath is laid on the War Grave situated in the Churchyard.

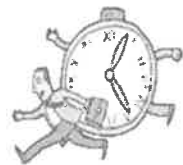

This year we would like to invite adults and children to volunteer to take part in the Remembrance Sunday, Act of Remembrance. Should you like to be part of the ceremony please phone me on 07811 353656. Thank you,

Glynn East
Lay Elder St Mary's Church.

BARTON MILLS BAPTIST CHURCH

Time marches on we are reminded, and don't we know it. We'll soon be Christmas shopping (if you hardy ones out there haven't already started).

I myself find it hard to believe **we are already into October**, three quarters of the year have already gone and on the 26th we will be putting our clocks back.

*The following story conveys **an important point on time**. "A father once said he was trying to **beat the clock** to the office one morning when his 3 year old son asked him to stay and play with him. He said he was sorry but he was late for work and would see him as soon as he returned home. As he stood there **winding his watch**, the child said in all seriousness, "**just change the numbers, Dad, then you'll have time**".*

How **have we spent our time so far this year**? Did we do anything worthwhile? How often have we wanted to **"change the numbers" and "beat the clock"**. We put the important things off a little longer and say **"Not now, but later, I've got plenty of time"**. We have good intentions but **fail to respect the precious fleeting nature of time**. We forget that the **opportunities of life come only once**. Proverbs 6 v 6 - 11 makes it clear that some things just shouldn't be put off, in spite of our best excuses. God expects us to make an effort to use **His gift of time wisely** before it's too late and we lose it altogether. Psalm 90 v 12 says **"...teach us to number our days, that we may apply our hearts unto wisdom"**. In all of time and all of timeless eternity, **"now" will never be repeated**. Psalm 31 v 14 - 15 says **"I trust in Thee, O Lord....my times are Thy Hand"**. Let's believe that and rededicate our lives afresh to the One who was willing to give His time by obeying His Father God and sacrificing His life that we might live life to the full and for evermore!

We give you a warm welcome to attend the service at the Chapel,
now sadly only one service at 3 p.m.

ST MARY'S, BARTON MILLS, PRESERVATION CHARITABLE TRUST

Dear Barton Millers,

The Preservation Trust is hoping to play a strong role in raising funds to help meet the cost of managing drainage issues around the foundations of our church building. This has been identified as a major project, to renew french drains and soakaways to ensure that the walls have the best chance of staying sound and dry.

In this respect we are looking forward to some enjoyable events through the coming Autumn. At the end of October, we will host a Raffle Table at the Autumn Fair held in church.

Then, in November, we are holding the Autumn Quiz in the village hall, with fish and chips provided by the Handy Plaice Mobile Catering Co, and questions from Kevin Milligan, who is fast becoming hot property in the quizzing world!

This will again be held over two nights, due to extremely popular demand, on both Friday 1st and Saturday 2nd of November. You can book tables of up to 8 for either night, along with your choice of Fish, Chicken or a Vegetarian meal, for £15 per person. I can make alternative pricing arrangements for those who do not wish to have a meal. If you have less than 8 people don't worry, we can often make up tables on the night!

We would also appreciate donations for Raffles on either night, and please remember to bring your own tableware and drinks.

Bookings are already flowing in, so please contact me soon!

BARTON MILLS FOOTBALL CLUB

Barton Mills FC play in division 3 of the Bury and District Sunday league and although we may have started the season with disappointing results, those early performances were by no means a reflection of the team's quality. Missing

key players during those games undoubtedly had an impact, but now, with a full-strength squad, we're ready to showcase what we're truly capable of.

We kicked off this new chapter in style with a stunning 10-0 victory on our first Sunday, with Kieran Hayden, Ben Stucky, and Liam Garratt all getting hat-tricks and Lewis Stevens rounding it up. A commanding performance that hopefully marks the beginning of a strong run of form.

However, the road ahead won't be easy. We've got some tough fixtures coming up, starting with a cup clash against Bury United, who currently play in Division 2. After that, we return to league action, with a game against Risby Greens to round off September.

Looking further ahead, October is a quieter month, with just two fixtures on the calendar. We'll be on the road to face Ixworth, followed by a home game against Occold FC.

Fixture list for October:

6th October: Ixworth FC vs Barton Mills FC 10:30am Kick Off

20th October: Barton Mills FC vs Occold FC 10:30am Kick Off

Come and watch the Mills as we aim to build momentum and climb the table!

Barton Mills Ladies Club

Report of September 2024 Meeting

Our Speaker was a return visit by Fran Saltmarsh and her topic was the 'History of the Wedding Dress'. She told us that the idea of the bride wearing white didn't start until Queen Victoria, she wore white at her wedding to Albert and so many brides wanted to copy this fashion. Up until that time the bride would wear her finest clothes on her special day.

She talked to us about a famous wedding painting by Jan van Eyck dated 1434, known as the Arnolfini Portrait, showing a bride and groom dressed in their finest to show just how wealthy they were. Oranges can be seen in the portrait, a further sign that this was an extremely wealthy couple. They were dressed in the finest woollen cloth, with ermine trim.

Bridal gowns reflected the fashion of the day. Fran showed us pictures of crinolines, which got wider and wider, the wealthier you were, so much so that the bride could hardly move. The empire line of the Regency period saw some dresses made of silver tissue with silver trimming and pearls were used quite a lot. Later came the dropped waist of the 'flapper girl' and so as each fashion took over it was reflected in the bride's dress. She showed us photos of brides during WW2 where the bride had to make do with whatever she could get on coupons, usually a costume.

She brought along some dresses from her own family weddings, her mother's and her own and one she happened across in an auction sale that was in a suitcase. Many of our members had brought their own wedding albums and a few their wedding dresses.

Our next meeting will be on **Tuesday, 8th October at 2pm in the village hall** and our Speaker Celia Graham will tell us about "Working life at Ickworth House in the 1930s".

Good Neighbour Scheme – We are there to help when needed

Now that the summer holidays are behind us, minds start to turn to the next half of the year with the prospect of late autumn weather and the winter that follows. For many it will be a challenging time with the issues that we continue to see in respect of the cost of living, especially around food, housing-associated expenses and fuel (home and travel), and any outcomes arising from the Government's promised October Budget. For some it will be a period when families may be able to visit less often, leading to feelings of isolation and loneliness.

The Good Neighbour Scheme can provide support to those in our community who are feeling isolated, through our volunteers calling in for a chat on a regular basis. We are also able to put villagers in touch with other appropriate support organisations in cases where we are not equipped to provide specialist help. This is done through our links with a County-wide support network. We can also help with collecting shopping and prescriptions – see the full list of our services on offer in our advertisement in this edition of the Barton Miller.

Accessing medical appointments can be a challenge, especially those at a distance in Bury St. Edmunds and Cambridge. Whilst the Barton Mills Good Neighbour Scheme has not included transport in its list of services, we might be able to assist in helping those villagers, who are finding it difficult to reach such appointments, access suitable transport, Contact us to find out.

I would like to remind readers that our services, which are free of any charge, are designed to support villagers across the entire Parish of Barton Mills. Please remember that you can contact us on **07419 211040** or e-mail us at **barton.neighbours@gmail.com** to see if we can help you with your particular needs.

Neighbourhood Plan

Many thanks to all those who attended our
Neighbourhood Plan Update event.

To remind you, neighbourhood plans are
designed to allow local people to play
an active part in planning their area.

What next?

We are now working towards preparing
the Draft Neighbourhood Plan

The plan will cover themes such as:
Housing, Natural Environment, Services & Facilities,
Community Aspirations.

The plan will be prepared by a working group of parish volunteers.
All work involved in creating the plan is grant funded,
with no cost to the parish.

When the plan has passed through various stages of approval
there will be a Parish Referendum which will hopefully adopt the plan.
