## Road Closures Confirmation

### Burwell to Lakenheath Area Electricity Reinforcement scheme

As you may be aware, UK Power Networks are responsible for delivering the electricity to your local area and are in the process of installing approximately 25km of high voltage electricity cables as part of a reinforcement scheme between Burwell and Brandon Road, Lakenheath.

Following consultations and ongoing review of the delivery of these works, we will be undertaking a series of road closures between Freckenham and Mildenhall.

**The first closure will be from the County boundary in Fordham Road, Freckenham to The Street, Freckenham at the junction with Elms Road. Planned dates are from 4<sup>th</sup> March to 30<sup>th</sup> March 2019.**

The closed section is shown below, diversion routes will be signed, with access to properties along the route being maintained.

**The second closure will be from The Street, Freckenham (from junction with Chippenham Road) to The Street, Worlington at the junction with Newmarket Road. Planned dates are from 30<sup>th</sup> March to 1<sup>st</sup> June 2019.**

The closed section is shown below, diversion routes will be signed, with access to properties along the route being maintained.

The third closure will be from The Street, Worlington at the junction with Isleham Road to Mill Street, Mildenhall at the junction with Station Road, Barton Mills. Planned dates are from 1<sup>st</sup> June to 30<sup>th</sup> June 2019.

The closed section is shown below, diversion routes will be signed, with access to properties along the route being maintained.

**Please note these dates may change based on performance.**

This will allow the works to be delivered in a more condensed timeframe; however access to properties on the route will be maintained.

Thank you for your patience and support during our works. We are doing everything possible to minimise any disruption during this work and apologise for any inconvenience caused.
